

NJCIE Semi-Annual Membership Meeting

Wednesday, January 25, 2012

Join us for a showing of the award winning documentary film, *Including Samuel*, a highly personal film by photojournalist Dan Habib. The film captures the cultural and systemic barriers to inclusion through the story of the Habib family's efforts to include their son, Samuel, diagnosed with cerebral palsy, in every facet of their lives. The film also features four other families with varied inclusion experiences, plus interviews with dozens of teachers, young people, parents and disability rights experts.

Time: 7:00 PM to 9:00 PM
